ATTRACTION DESCRIPTION

Mirvish Productions owns and operates four magnificent theatres in downtown Toronto - the Royal Alexandra, the Princess of Wales, the Canon and the Panasonic - each offering its own unique theatre-going experience.

DESCRIPTION OF EVENING ACTIVITY

War Horse - Begins Feb 10 - This international smash hit tells the story of Joey, young Albert's beloved horse, who is sold to the cavalry and shipped to France. He's soon caught up in enemy fire, and fate takes him on an extraordinary journey, serving on both sides before finding himself alone in No Man's Land. Actors, working with astonishing, life-sized puppets, lead us on this emotionally-charged journey through history.

Bring It On - May 2 - June 3 - BRING IT ON: THE MUSICAL is the explosive new musical comedy that raises the stakes on over-the-top high school rivalries. Set against the world of competitive cheerleading, this powerhouse new show hilariously proves that winning isn't everything when it means losing something - or someone - you really care about.
