

FIVE WAYS HOSPITALITY BUSINESSES ARE PUTTING GUEST SAFETY FIRST

Toronto's hospitality businesses are putting guest safety first. Relying on the highest international standards and adherence to public health guidance, here's how Toronto's hospitality community is continuing to focus on keeping their guests safe:

1. REDUCED CAPACITY

Hospitality businesses are ensuring physical distancing by reducing the number of guests

2. MANAGED TRAFFIC FLOW

Businesses are using timed tickets and physical navigation markers to keep guests moving safely with appropriate distancing

3. A COMMITMENT TO MASKS

Employees and guests are required to wear masks for everyone's safety

4. CONTACTLESS EXPERIENCES

Businesses are using technology to provide contactless experiences like QR code menus and e-tickets

5. RIGOROUS SANITIZATION

Businesses are cleaning constantly and providing hand sanitizer to keep everyone safe
